

H.E.L.P.

Annual Report for 2018

Because Older Adults Matter

H.E.L.P. is dedicated to empowering older adults and their families by providing impartial information, education and counseling on elder care, law, finances and consumer protections so they may lead lives with security and dignity. We provide current and accurate information on care resources, legal protections and financial planning tools. Our purpose is to ensure that older adults and their families will be able to make well-informed decisions on what might be in store. In this 2018 annual report, we would like to share some information on those who came to us for assistance, and those whose donations made our continued services secure.

Financial Results

Every dollar counts – 73% of our spending goes directly to programs (unaudited, before preparation of IRS Form 990).

2018 Expenses

73% Programs

27% Management, General, & Fundraising

To provide quality services to older adults and their families, H.E.L.P. depends on generous and continuing support from its donors. In 2018, more than 97.2% of our funding relied on these donations, as shown by the pie chart above. During the earlier economic downturn, positive steps were taken by H.E.L.P.'s Board of Directors which resulted in H.E.L.P.'s improved financial strength. For the past seven years, H.E.L.P. has shown growth in both financial status and delivery of programs and services.

Service Achievements

H.E.L.P. experienced many service achievements throughout 2018. To make sure we stay efficient and effective in the coming year, we have made noted service improvements while streamlining the staff and placing more emphasis on the contributions of volunteers, many of whom offer years of professional experience and expertise. As a result, seniors and their families are able to receive in-office consultations and advice on healthcare, financial matters, and information on available government entitlement programs. In addition, H.E.L.P. continues to partner with other organizations to present informational community classes and workshops, telephone and e-mail consultations, and helpful publications.

In 2018, H.E.L.P. presented 122 community classes with an attendance of 3,443 and participated in 14 community events impacting over 799 attendees. H.E.L.P. also distributed 22,500 publications and directly served nearly 6,100 clients. This year, more than 391,000 people visited our website to receive information on eldercare issues.
